Dear Parents,

We would like everyone to know that first and foremost our main objective is the continued health and safety of our students, staff, and community. We have spent the last few days monitoring the information released by the Texas Department of State Health Services and Center for Disease Control regarding the COVID-19 (Coronavirus).

At this time there has been no known cases of the COVID-19 Virus in DeWitt County. Based on the information and concern for the continued spread of the virus, Nordheim ISD has decided to cancel classes for the week of March 16-20.

The UIL has also announced that all extracurricular activities have been canceled statewide through March 29, 2020. This decision is to discourage travel to areas where the COVID-19 virus could be prevalent. We hope our Nordheim ISD families will also keep this in mind as they travel.

Please understand this decision was not made lightly. Nordheim ISD realizes this could create some hardships or inconvenience for some families. Again, we are doing what we feel is in the best interest of our students, staff and community. We will continue to monitor the situation and make decisions based on the most recent information.

Please check our website for the latest information.
